The Boykin Spaniel Society and the Field Trial Committee Welcomes you to the **2013 BSS Upland National Championship**. We hope that your weekend with us is a great one.

Remember that we are guests of the Hanging Rocks Plantation and I expect us all to respect the grounds, the staff and the birds just like we all do our dogs. Please throw all litter, including cigarette butts, in the appropriate receptacles.

If you have any questions or suggestions please feel free to contact any of the Directors of Field Trial Committee members listed below:
